

# Shank mounted end brushes crimped

## PBU

Suitable for light brushing such as deburring, cleaning and derusting.

### Advantages:

- Optimal access to hard-to-reach areas such as drilled holes and cavities as the wires spread out upon rotation.

### Recommendations for use:

- For the best results, use a tool drive with a minimum output of 300 watts.

### Ordering notes:

- For POS type, please add "POS" to the description.
